

The Janet D. Steiger Fellowship

I am writing to inform you about the American Bar Association's Janet D. Steiger Fellowship Project, in case you are unaware of it, and to request inclusion of the Project in your clerkship listings for the summer of 2024. The Steiger Fellowship Project honors the memory of the late Janet D. Steiger, who served as Chair of the FTC from 1989 to 1995, and provides law students an opportunity to serve as summer law clerks in consumer protection divisions of state Attorney General offices. The ABA's Section of Antitrust funds the Project by providing grants enabling the Fellows to be paid a stipend, which currently is \$6,000 less taxes and other deductions. The Project is a past winner of the ABA's Meritorious Service Award.

Maryland's Steiger Fellow

The Consumer Protection Division of the Office of the Attorney General of Maryland (the "Division") has participated in the Steiger Fellowship Project many times since 2008 and has been selected again to receive a Steiger Fellow during the summer of 2024. The Fellowship with the Division lasts 10 weeks and is in our office in Baltimore, unless COVID-19 requires the Fellow to work remotely (or we may continue a hybrid arrangement). After taxes and other deductions, the net amount of the stipend has been roughly \$5,500.

Steiger Application

The application deadline is **Monday, November 27, 2023**. Interested students should submit an application and other required documents to the ABA (not our office) according to the ABA's application instructions. Here is a link to the Steiger Fellowship Project webpage, which includes a link to the 2024 student application: https://www.americanbar.org/groups/antitrust_law/about/awards-fellowships/steiger-fellowship/ Students selected to be interviewed by our office will be interviewed in January – February.

Thank you for your anticipated cooperation in informing students at your law school about this opportunity, and please let me know if you have any questions.

Sincerely,
Lauren R. Calia
