ABOUT THE 1L DIVERSITY FELLOWSHIP PROGRAM

As part of our commitment to promote a diverse and inclusive workplace, we offer a 1L Diversity Fellowship Program.

Our 1L Diversity Fellowship Program is designed to help build a pipeline of diverse attorneys starting at the law school level. 1L Diversity Fellows are given meaningful work to provide them with a first-hand and immersive look at the practice of law at Meyers Nave.

Working closely with attorneys in our practices, fellows gain direct insights and knowledge through participation in practice group meetings, attorney team meetings, meetings with public agency and private sector clients, depositions and hearings.

MEET TWO OF OUR 1L DIVERSITY FELLOWS

Carolina Ugalde

"Meyers Nave is committed to providing valuable experiences for its summer fellows. The program is organized and structured, but also provides fellows with the opportunity to shape their summer experience based on their personal interests. I worked with trailblazing attorneys from various practice groups on both transactional and litigation matters. The attorneys take the time to prepare summer fellows to succeed and thrive in the profession."

Chelsea Davis

"My summer experience exceeded all my expectations! From day one, I felt like I was part of a team. I worked on substantive assignments from a variety of cases, learned new areas of law, and had the opportunity to observe strategy meetings, depositions and hearings."
