

Tax

Fenwick’s Tax Practice is consistently recognized for broad, deep and current knowledge of technical tax rules, combined with practical counsel for clients. The tax group’s exciting and sophisticated practice stems from its client base, which represents every geographic area of the U.S., as well as a number of countries across the globe.

- A sophisticated tax team with a broad range of corporate, partnership, and international tax experience, including representing well over **50 Fortune 100 companies** in major federal tax matters, and 100 of the **Fortune 500 companies**
- Wide-ranging experience in **domestic and international tax planning, M&A and joint ventures**
- **Broad and deep transfer pricing practice**, covering APAs, competent authority and dispute resolution
- **75+ United States tax court cases and nationally recognized** for successful tax dispute resolution and litigation: successfully **resolved over 150 IRS administrative appeals proceedings**
- **Recently won tax victories** for CBS and Sanofi in the **U.S. Court of Federal Claims**, and **Analog Devices in the U.S. Tax Court**. Currently represent other large multinational corporations in the U.S. Tax Court
- Fenwick is the **leading tax firm** for technology, life sciences and crypto companies
- Well known for its **cross-collaborative culture that takes an entrepreneurial and team-based approach** to deliver the highest level of service in the most efficient, effective way possible
- Deeply **invested in supporting summer and first-year associates from day one**, providing resources, extensive training programs and mentorship, including weekly tax team lunches, to **empower junior lawyers** as they launch their careers

Fenwick has a high profile in both domestic and international tax matters, with broad expertise across M&A, transfer pricing, joint ventures and tax litigation. A highly credible source of legal advice on issues relating to the technology, media and telecommunications sector.”
